

celebrate your  
Birthday the  
Aldo Leopold way...  
with NATURE!

Host your next party at the  
Nature Center - for all ages!

## Mission Statement

Teach the student to see the land,  
to understand what he sees,  
and enjoy what he understands  
in the spirit of Aldo Leopold.

## How to Find us

We are located at 300 Femrite Drive, Monona, Wisconsin, on a 47-acre conservation park. Take the South Beltline (Hwy 12 & 18) to Monona Drive. Exit North and continue past the Monona Drive/Broadway Street intersection. Turn East on Femrite Drive and look for Monona's Woodland Park and Aldo Leopold Nature Center sign on the left. Follow the driveway up the hill. The Nature Center is located just south of the main parking lot. (Please ask your guests to use the parking lots rather than parking in the cul-de-sac near the building.)
